Georgia Institute of Technology**

*PhD/MS Thesis Committee Appointment*

The Thesis Committee works with a graduate student to define the scope of a project and to assess the quality of the thesis.

PhD Thesis Committees (See 5.8 of Graduate Handbook) in the School of Chemistry and Biochemistry meet at the following times and make recommendations to the Graduate Committee.

- Second Year Seminar
- PhD Candidacy Examination: End of Second Year
- PhD Data Review: Six Months Prior to PhD Defense
- PhD Defense

MS Thesis Committees approve the thesis.

See Section 4.2 for composition of MS committees; Section 5.7 for composition of PhD committees.
